\$25 registration fee per dog—

Participant Guidelines: Dogs must be friendly and have current required vaccinations. Dogs must be kept on a leash at all times and wearing a harness, so that they can be hooked to a keg. The kegs will be empty and chosen based on the size of the dog (extra small dogs get a beer can). Owners will have to choice to run/walk alongside their dog/ OR let the dog just run for time— This is more fun than competition...kids are welcome to be dog handlers. The course will be a single track “pull” on snow (hopefully). In each category dogs will race against each other - 2 dogs side by side. The goal is for dogs to be able to be the first to cross the finish line pulling the keg—yippee!

**Please complete the form below for each participating dog, and turn it in with the registration fee to an authorized sponsor, or bring the completed form and \$25 to the event registration table.*
